**Subject:** RE: tick tock list  
**Attachments:** Tick Tock August 12 through January 2020 v3 clean\_gs.docx

Stan – made some small changes to Tick Tock....one issue – TCE team scheduled RAD Mgmt briefing on 9/10 (first day of SACC) as opposed to 9/9 (what is on Tick Tock).

Changes I made – added OGC to OPPT/OCSP review and clarified a couple of asbestos and CCL4 bullets....

All in track changes....

Regards,

**Subject:** tick tock list

We have made revisions and still need input from OSCP on virtual meetings and January peer review.
